

## Privacy Policy for CSG Group

At CSG Group, we are committed to protecting your privacy and personal information. This Privacy Policy explains how we collect, use, and disclose information from users who visit our website.

### Information We Collect

We collect personal and non-personal information when you use our website. Personal information includes any data that can be used to identify you, such as your name, email address, phone number, or mailing address. Non-personal information includes data that does not identify you, such as your IP address or browsing history. We collect information using the following methods:

1. **Voluntary Information:** We may ask for your personal information when you subscribe to our newsletter, fill out a contact form, or create an account on our website. This information may include your name, email address, phone number, and mailing address.
2. **Automatic Information:** We may automatically collect information about your device and browsing behavior, such as your IP address, browser type, operating system, and pages visited on our website. We use this information to analyze user behavior and improve our website.
3. **Cookies:** We may use cookies, which are small data files that are stored on your device, to collect information about your browsing behavior. Cookies help us personalize your experience on our website and remember your preferences.

### How We Use Your Information

We use your personal information to communicate with you and improve your experience on our website. We may use your information to:

1. Respond to your inquiries and provide customer service
2. Send you newsletters and promotional emails
3. Personalize your experience on our website
4. Analyze user behavior and improve our website
5. Comply with legal obligations

We will not share, sell, or rent your personal information to third parties unless required by law.

### Security of Your Information

We take reasonable measures to protect your personal information from unauthorized access, disclosure, and use. However, no data transmission over the internet or storage system is guaranteed to be 100% secure. Therefore, we cannot guarantee the security of your information.
